There is a local multiplayer feature known as splitscreen.

In this multiplayer version, all the modes in online multiplayer are available to the users. However, only people on that console my play against each other, so it's usually best to have a smaller map to

play in.

It received generally favorable reviews from critics at release

and became the best-selling game of 2024 in the US. Can you play split screen on

Cold War Zombies? The answer is YES, but the split screen feature is only available on consoles.

Split screen will chop the screen in half to have two compatible players.
