<p>Best cod of the modern era, not that that saying much. The campaign was

fun enough, % , with interesting ideas such as dialogue options and branching m

issions, but overall it's hard to get invested in due to % , the state of th

e overarching COD storyline. I'm honestly can't tell if this is solely i

n the new MW timeline, % , a sequel to the old black ops storyline, or some weir

d fusion of the two that drags the old games % , into everything.</p>

<p>Not much to say on the MP. I haven't played it since it's year

in the cycle, and games % , are hard to find, at least on pc/steam. From what I

remember I enjoyed it, especially the 3v3 mode. the % , overall game feel is bad

compared to the MW games, but I think that's not an issue going forward. Fu

n % , for the most part, but SBMM makes matchmaking annoying to participate in,

often having the game openly tell you it's % , searching for games with 100

plus ping at times.</p>

<p>Zombies though, Zombies is genuine great. BO 3 is certainly the peak % ,

of the original zombies formula, but I dare say I almost like this more, gamep

lay wise. It is sadly missing % , a lot of the personality of the W@W-BO3, with

MP operators as characters instead of a set crew being the % , largest problem.

The HUD does also kinda suck, fine in function but lacking any character in the

design. Especially compared % , to BO3, although I'd say it's still mile

s above BO4 with how cluttered that was.</p>

<p>All in all, I'd say it's % , worth it on sale if you really lik

e cod zombies and skipped this one. It has a lot of rouge-like % , elements that

can keep you playing for a while, plus a weapon/camo grind, if you're into

that sorta thing. If % , you're not a fan of zombies, don't bother.</
