<p></p><p><p>A revista "Brasileir#227;o Ozzo" Recently
, wrote an article about the biggest derby in Minas Gerais, the "Cl#225;ss
ico Mineiro," disputed between #128185; Clube Atl#233;tico Mineiro and C
ruzeiro. The rivalry has its origins in the 1920s, when both teams were founded,
and is #128185; considered the second-most popular derb in Brazil, behind Cor
inthians x Palmeiras.</p>
<p>The main disputes between these two teams began years after #128185;
Cruzeiro, originally named Sociedade Esportiva Palestra It#225;lia, was founded
in 1921. However, it was in the 1940s that the rivalry #128185; strengthened
and became the largest derby in Minas Gerais, rivaling any other football compet
ition in the state during the 1960s.</p>
<p>At #128185; the time being, Atl#233;tico competes in several sport m
odalities; however, it has an excellent historical record in football, providing
the #128185; most international-class players of any footbol club from Minas
Gerais. In contrast, Cruzeiro, which holds the largest number of national #1281
85; footgol titles, is considered the second most popular foot Ball clube in Mi
nas.</p>
<p>It#39;s interesting to mention that even though both #128185; teams
hold a historic rivalry in football, a study reveals that each team has unique f
an characteristics. Atl#233;tico fans are #128185; predominantly males (76%)
from high-income neighborhoods (41%.) While Cruzeiro has a contrasting audience:
with more than 50% of fans being #128185; female and having a prevalence of i
ncome ranging from middle (32%) to high levels (28%).</p>
