[Update the Netflix app](#) If you're on your Android phone or tablet, open the Netflix page in the Play Store, then tap Update. You can also update the Netflix app with these steps: Open the Play Store app. If you don't have it, you might need to fix an issue with the Play Store.

[Netflix says 'This title is not available to watch instantly'](#) helpflix : node

Restart your device

1 Turn off your device. If your device has a power cable, unplug it.

2 Make sure your device is completely off, not just in sleep or standby mode.

3 Leave your device off for 15 seconds.

4 Turn on your device and try Netflix again.

[Netflix says 'Sorry, this title cannot be watched instantly at this time'](#)
