<p>Minecraft Classic is an online version of the famous open-world sandbox

building game. It is a remake of the original &#127803; Minecraft and was rele

ased for its 10th anniversary by the developer Mojang. In the game, players can

build in creative &#127803; mode using 32 available blocks. The game has a mult

iplayer feature so you can play with up to 8 friends.</p>

<p>History</p>

<p>Minecraft &#127803; was first released to the public on 17 May 2009. T

oday it is published in the exact state of its &#127803; initial release. This

means that there are only 32 blocks that you can build with, and all the origina

l bugs &#127803; are in there! So if you are used to the latest version, it can

be quite a shock to see &#127803; how the game has evolved. To quote Tom Stone

from Mojang "With just 32 blocks to build with, all the &#127803; origina

l bugs, and an (inter)face only a mother could love, Minecraft 2009 is even more

glorious than we remembered!"</p>
