Same bed, but it feels just a little bit bigger now Our song on the radio, but it doesn't sound the same

When our friends talk about you, all it does is just tear me down Cause my heart breaks a little when I hear your name

all just sounds like, ooh Too young, too dumb to realize That I should've bought you flowers and held your hand

Should've given you all my hours when I had the chance

Take you to every party, 'cause all you wanted to do was dance

Now my baby is dancing, but she's dancing with another man

My pride, my ego, my needs and my selfish ways

Used a good strong woman like you to walk out my life

Now I'll never, never get to clean up the mess I made, oh

And it haunts me every time I close my eyes

It all just sounds like, ooh Too young, too dumb to realize That I should've bought you flowers and held your hand

Should've given you all my hours when I had the chance

Take you to every party, 'cause all you wanted to do was dance

Now my baby is dancing, but she's dancing with another man

My pride, my ego, my needs and my selfish ways

Used a good strong woman like you to walk out my life
