<p&gt;3 Review - Solereview solereadia&lt;/p&gt;
<p&gt;&lt;/p&gt;&lt;p&gt;&quot;From Day One of this acquisition, we ve been c
ommitted to addressing the concerns of regulators, platform and game developers,
and 🌝 consumers, & quot; Microsoft President and Vice Chair Brad Smith t
weeted in response to Spencer's post. "Even after we cross the finish &
#127773; line for this deal s approval, we will remain focused on ensuring that
Call of Duty remains available on more platforms 🌝 and for more consum
ers than ever before."</p&qt;
<p&gt;Spencer did not disclose the terms of Microsoft&#39;s deal with Sony, t
hough Stephen Totilo 🌝 of Axios later confirmed that it is 10 years in
duration. Microsoft first offered Sony a 10-year deal to keep 🌝 Call of
Duty on current and future PlayStation consoles at the end of last year, though
the Japanese electronics giant 🌝 turned down the olive branch at the t
ime. In an effort to secure approval from regulators, including the FTC and &#12
7773; CMA, Microsoft went on to sign an agreement with Nintendo to bring the se
ries to the company's future consoles. It 🌝 also came to terms with
cloud gaming providers like NVIDIA.</p&gt;
<p&gt;Before today, Jim Ryan, the president and CEO of Sony Interactive &#127
773; Entertainment, made clear he was strongly opposed to Microsoft's Activ
                 t want a new Call of Duty deal. 🌝 I just want to bloc
ision bid.
          I don
               Ryan told Activision CEO Bobby Kotick.
                                                     I told him [Kotick] that
I thought 🌝 the transaction was anti-competitive, I hoped that the req
ulators would do their job and block it,
                                     Ryan later said during 🌝 his
testimony at the FTC v. Microsoft hearing. But with the purchase all but set to
move forward, Sony likely 🌝 had no choice but to come to terms with its
rival.</p&gt;
<p&gt;Update 2:57PM ET: Added more information about the length of &#127773;
the agreement.</p&gt;
