Cat's Party is a physics-based skill game where

you're a cat alone in the dark city trying to make its way to the

safety of other feline companions. There's a cat party at the rooftop and y

our job is to reach it. Drag and release your cursor or finger to sen

d the cat flying up. Hold on to windowsills, platforms, pipes, and ba

sically anything you can latch on to - and jump higher! Be careful as the way to

the top is not a cakewalk: You will face moving obstacles, disappear

ing platforms, and unfriendly humans who will push you off their balc

ony. Make sure to pick up the food pieces scattered around so you can buy your c

at cool skins! Share Cat's Party with your friends and keep the p

arty alive!

How do you play Cat's Party?

Drag and release your cursor or finger to send the cat flyin

g up. Reach the terrace party at the top without falling off.

Who created Cat's Party?

Cat's Party was created by Sakkat Studio. They have many other thin

king and management games on Poki: It's Story Time!, Sweet Run, J

ames Gun, Crush It!, Ground Digger, Throw It Higher! and Descent
