Senegal fans resorted to dirty tactics in a bid to g

ive their country the upper hand during the crunch World Cup play-off

clash versus Egypt on Tuesday - by targeting opposing players with a shower of

laser beams.

Mohamed Salah was just one of the Egyptian stars on the rece

iving end of the harassment as a host of green lasers were pointed in

his face at various points throughout the fixture. Goalkeeper Mohammed El Shena

wy was also a prime target for Senegal fans, who furiously shone thei

r lasers when he was faced with a free-kick or for each penalty in the

crucial shootout.

Hamdi Fathi's own goal after just four minutes put Senegal in front

on the night and levelled the score on aggregate after Egypt had tak

en a one-goal lead into the second leg at the Stade Me Abdoulaye Wade in

4; Diamniadio. The score stayed that way until after extra time, with the sides

then forced into another shootout just months after experiencing the

same scenario in the Africa Cup of Nations final.

Again it was Senegal who emerged the victors, after a nerve-

wracking finale which started off with four missed spot kicks in a row. Even Sal

ah could not tuck his effort away having been moved up Egypt's or

der after missing out on the opportunity to take one at AFCON, this time

blazing his shot over after a host of lasers were shone in his direction in

a bid to distract him. It clearly worked a treat.

Mane was Senegal's hero in Cameroon less than two months ago by str

iking the spot kick which gave his country their first ever continent

al triumph. Once again, he was on hand to net the winning penalty aga

inst Egypt and ensure he and his compatriots will travel to Qatar this winter.&l
