Fire and Water games

Our challenging collection puts you in control of Fireboy and Watergirl

. You can move each character at the same time to navigate through tr

icky levels. All Fire and Water games feature a mysterious temple filled with ge

ms. Flip levers in the forest, press buttons in icy arenas, and activ

ate moving platforms in the light temple. Your fiery friend can only

acquire red diamonds, and the liquid lady must grab blue gems. If Fire and Water

mix, they will be destroyed! Grab all of the jewels as quickly as po

ssible!

All of the Fire and Water games in this collection take plat

form puzzles to a whole new level. Each temple includes unique features to chall

enge you at every turn. In the forest, one element must hold down pus

h-buttons while the other element passes. The light temple is filled with

special mirrors and detectors. Fire and Water can reflect light in differen

t directions to solve each puzzle. In the crystal temple, you will ex

periment with special portals. Teleport across each area to gather all of the ge

ms in record time!
