The first four Silent Hill games are all uniquely unnerving; these titles gave survival horror fans a more psychological alternative to Resident Evil's more visceral terrors. Each Silent Hill game transforms trauma into monstrous physical manifestations, which is arguably most effective in Silent Hill 2.

It is a movie about a mother who dies with her daughter and gets trapped in a ghost town, Silent Hill. She goes looking for her daughter and meets some monsters on the way. There is one scene where a main enemy from the games rips the skin off of a woman, killing her. Definitely not for kids.
