Renegade Racing

We know that our visitors enjoy car racing games, especially if they all

so belong to the Friv 2024 Games category, just like it is the case with

Renegade Racing, a game we really want you all to try out, since

we are positive that you are going to be having lots and lots of fun with it from

beginning to end, since that was our experience with this game, and

because of that we made sure to share it with you all here immediately.

Let us now explain what you are going to be doing in the game, after

which you should have no stress at all about playing it. Use the arrow keys

to control your car. In each race, do your best to be the first one to

reach the finish line, and thus win it. Of course, along the way you

are going to be able to do all sorts of stunts, which we recommend, if

you want more points, but at the same time, be careful of how you drive, since

we are positive that you do not want to crash, and lose the race and

the game, right? As you earn more money from winning race, you also

get to upgrade your car, which we recommend that you do. Good luck, and when

you are done, make sure to see what other new games we have added here

so far!
