About This Game  
PICO PARK is a cooperative local/online multiplayer action puzzle game for 2-8 players.  
The rule is quite simple: "Get 5, £ all the keys and get to the goal and clear", but all 48 levels have special gimmicks designed specifically for 5, £ multiplayer. At most levels, different gimmicks will appear as you move forward, and you will need to consult with your 5, £ peers and think about new ways to cooperate. This version is essentially a port of the one we released on the 5, £ Nintendo Switch in 2024. However, it's not just a port, it now supports online play. The 2024 version of this link has 5, £ been renamed "PICO PARK: Classic Edition". [Flexible Level] Each level of PICO PARK can be cleared when players get the key, unlock the door 5, £ and all players reach it. But, every level requires cooperation to complete. [Battle Mode] Co-op play is the main work of this game, 5, £ but let's compete with friends in BATTLE MODE once co-op play is completed. [Endless Mode] Even if you complete all 48 stages, 5, £ you can play ENDLESS mode to aim at high score by collaborating with friends. By collaborating with friends, your score 5, £ will grow faster. [Online Play Mode] You can play together online with people who are far away from you. However, this is a 5, £ game where communication is very important, so we recommend using Discord
