<div class="hwc kCrYT" style="padding-bottom:12px;padding-top:0px"><div><div><div><div><div><div></div>

We are used to seeing and processing human faces and objects, but seeing an eerie, near-human image such as a zombie triggers fear. The face we see technically has all the features that should make it recognisable to us as a human but instead we are faced with something feral, lacking humanity.</div></div></div></div></div></div></div>
