1v1.LOL is an online third-person shooter with cool

building mechanics. Similar to the building in the popular game Fortnite, you

can build structures to change the outcome of the fight. In the Battle

Royale game modes the sole survivor wins the game. The goal of the game

is to be the last player standing, using the different weapons and building

blocks at your disposal. Build walls and ramps to defend yourself

or to create an opportunity to attack your opponents. Use your axe to

break down your opponents' buildings. 1v1.LOL has many fun features such as

private matches with friends, bustling item shops with custom equipment,

effective practice modes, and many ways to customize your character and play

style. It's a fast-paced online shooting game where it's possible to build

structures and eliminate opponents. 1v1.LOL features three game modes:

In addition to the modes above, there are also the following: 1v1.L
