Sit upright and you'll have the least chance of getting an auto injury. If you're wondering how to survive a car crash, the only thing more important than sitting upright is wearing a seatbelt. It will keep you secure and will lower your risk for serious injury. Headrests will also protect you during an accident.

Head-On Collisions

One of the most dangerous types of car accidents is a head-on collision. Because these crashes involve the full force of both vehicles colliding head-on, they have the potential to cause significant damage and even death.
