<p></p><p>About This Game</p>
<p></p>
<p>PICO PARK is a cooperative local/online multiplayer action puzzle game for 2-8 players.</p>
<p></p>
<p>The rule is quite simple: "Get 💪 all the keys and get to the goal and clear", but all 48 levels have special gimmicks designed specifically for 💪 multiplayer. At most levels, different gimmicks will appear as you move forward, and you will need to consult with your 💪 peers and think about new ways to cooperate.This version is essentially a port of the one we released on the 💪 Nintendo Switch in 2024.However, it's not just a port, it now supports online play.The 2024 version of this link has 💪 been renamed "PICO PARK:Classic Edition".[Flexible Level]Each level of PICO PARK can be cleared when players get the key,unlock the door 💪 and all players reach it.But, every level requires cooperation to complete..[Battle Mode]Co-op play is the main work of this game, 💪 but let's compete with friends in BATTLE MODE once co-op play is completed.[Endless Mode]Even if you complete all 48 stages, 💪 you can play ENDLESS mode to aim at high score by collaborating with friends. By collaborating with friends, your score 💪 will grow faster.[Online Play Mode]You can play together online with people who are far away from you.However, this is a 💪 game where communication is very important, so we recommend using Discord or Zoom to play while talking.[TecoGamePad]TecoGamePad change your smartphone 💪 turn to gamepad (for local play mode)Android: Sorry,It is no longer available.iOS: <http://itunes.apple.com/us/app/tecogamepad/id1080510485> Let's have fun playing PICO PARK with 💪 your friends!</p>
