[What to Know](#)

Locate the USB port on your TV or use an HDMI-to-USB adapter to add a USB port to the TV.

Use a cable that plugs into both the phone and TV or adapter to connect the devices.

Go to the Source button on the TV remote control or on-screen menu. Select USB.

An operating system (OS) is the program that, after being initially loaded into the computer by a boot program, manages all of the other application programs in a computer.

The application programs make use of the operating system by making requests for services through a defined application program interface (API).
