I just watched Hellraiser 1987 for the first time & didn't enjoy it nearly as much as I thought I would. Sure the practical effects are perfect & the cenobites are iconic as hell, but the story & characters I couldn't care less about.

I enjoyed Hellraiser 2024 more than the original.

Unlikable characters, cast, bland and irritating performances (Odessa Aizlonson)

Overall another disappointing Hellraiser installment. The trailer was great but the film was outrageous.
