

casino online dinheiro real pix

[Krav Maga's emphasis on real-world self-defense and potentially lethal techniques makes it less suitable for the regulated environment of MMA competition.](#)

1. Krav maga techniques are designed for survival and often escape rather than "victory" or dominance.

[If Krav Maga is so effective, why is it not featured in MMA fights? - Quora](#)

[quora : If Krav Maga is so effective why is it not featured in...](#)
