<p>Best cod of the modern era, not that that saying much. The campaign was
fun enough, O , £ with interesting ideas such as dialogue options and branching
missions, but overall it's hard to get invested in due to O , £ the state of
the overarching COD storyline. I'm honestly can't tell if this is solely
in the new MW timeline, O , £ a sequel to the old black ops storyline, or some w
eird fusion of the two that drags the old games O , £ into everything.</p>
<p>Not much to say on the MP. I haven't played it since it's year
in the cycle, and games O , £ are hard to find, at least on pc/steam. From what I
remember I enjoyed it, especially the 3v3 mode. the O , £ overall game feel is b
ad compared to the MW games, but I think that's not an issue going forward.
Fun O , £ for the most part, but SBMM makes matchmaking annoying to participate i
n, often having the game openly tell you it's O , £ searching for games with
100 plus ping at times.</p>
<p>Zombies though, Zombies is genuine great. BO 3 is certainly the peak O ,
£ of the original zombies formula, but I dare say I almost like this more, game
play wise. It is sadly missing O , £ a lot of the personality of the W@W-BO3, wit
h MP operators as characters instead of a set crew being the O , £ largest proble
m. The HUD does also kinda suck, fine in function but lacking any character in t
he design. Especially compared O , £ to BO3, although I'd say it's still
miles above BO4 with how cluttered that was.</p>
<p>All in all, I'd say it's O , £ worth it on sale if you really li
ke cod zombies and skipped this one. It has a lot of rouge-like O , £ elements th
at can keep you playing for a while, plus a weapon/camo grind, if you're int
o that sorta thing. If O , £ you're not a fan of zombies, don't bother.</p>
