Gather your troops and take to the battlefield in War Master! In this strategy action game, you take command over an army base that's under attack. It's up to you to build barracks, train your troops and lead them in the fight. After you've defeated your enemies, they will drop golden medals. You can use these to rank up. As you rank up, you will unlock more weapons like tanks, attack helicopters and even nuclear bombs to use against your enemies. Are you the strategic mastermind that will win every battle?

How to play War Master?

Movement: Use the arrow keys, WASD, or click and drag with the mouse to move around!

Who created War Master?

War Master is created by EasyCats. Play their other game on Poki: Archer Castle, Battle Wheels and Merge Arena!

Ringworm, also known as tinea, is a fungal infection

that can affect various parts of the body such as the scalp, body, feet, and nails. It is characterized by red, itchy, and scaly patches on the skin.

>

Clotrimazole works by killing the fungus that causes ringworm. It is

available in various forms, including creams, lotions, and solutions. When using

clotrimazole for ringworm, it is important to follow the instructions carefully

and apply it to the affected area regularly for the recommended period.
