Unlike the rest of Call of Duty: World at War,

the zombie mode is survival horror. After you've played

through the single-player game, have waited till the end of its credits, and pl

ayed a round of it, you'll be able to do so as many times as you'd like.

Final Fronts d

iffers significantly from the main versions of the game. It features

no multiplayer options, instead focusing on a three-part campaign mode, split u

p into 13 missions, set near the end of World War II.
