<h2>Rivalidade Clássica de Minas Gerais: Atlético x Cruzeiro</h2>

/h2>

A revista "Brasileirão Ozzo" Recently, wrote an article about the

biggest derby in Minas Gerais, the "Clássico Mineiro," disputed

between Clube Atlético Mineiro and Cruzeiro. The rivalry has its origins in

the 1920s, when both teams were founded, and is considered the second-most popu

lar derby in Brazil, behind Corinthians x Palmeiras.

<article>

<p>The main disputes between these two teams began years after Cruzeiro, o

originally named Sociedade Esportiva Palestra Itália, was founded in 1921. H

owever, it was in the 1940s that the rivalry strengthened and became the largest

derby in Minas Gerais, rivaling any other football competition in the state dur

ing the 1960s.</p>

<p>At the time being, Atlético competes in several sport modalities;

however, it has an excellent historical record in football, providing the most i

nternational-class players of any football club from Minas Gerais. In contrast,

Cruzeiro, which holds the largest number of national football titles, is conside

red the second most popular football club in Minas.</p>

<p>It's interesting to mention that even though both teams hold a hist

oric rivalry in football, a study reveals that each team has unique fan characte

ristics. Atlético fans are predominantly males (76%) from high-income neigh

borhoods (41%.) While Cruzeiro has a contrasting audience: with more than 50% of

fans being female and having a prevalence of income ranging from middle (32%) t

o high levels (28%).
