What are 2 Player Games?

2 Player games support a maximum of 2 players. You can play these games with your friend by sharing the same keyboard. Sometimes both of you have to cooperate to pass challenging levels, while at times, you ca

n become each others' rivals.

Cool 2-player games to play with your friends

2-player games are fun games designed for two people to share the keybo

ard and play together. So pull up an extra desk chair, because here a

t Kizi you'll find all of the most popular two player titles like the

Fireboy and Watergirl series, the Money Movers adventures, and many more! In ea

ch of these games, the players each control one of two characters using the arrows and WASD keys. Each character has unique abilities that complement

the skillset of the other. Choose your character and work together t

o clear all of the obstacles. You'll have to communicate with your pa

rtner to solve each challenging puzzle level, because you won't make it without

good teamwork. It's not enough for just one character to reach the do

or to the next level, you both have to make it there. If one characte

r dies along the way, both players will have to start the level over!
