About Frozen Games  
The magic and excitement of Disney's Frozen franchise has moved beyond the silver screen and into the realm of online gaming, introducing the enchanting kingdom of Arendelle to gamers around the world through Frozen Games. Inspired by the stories and characters from one of Disney's most successful films, Frozen Games immerses users in their favorite icy fairy tales, providing an interactive portal to experience Elsa's chilling powers, Anna's unwavering courage, and Olaf's infectious charm.

The games were first introduced following the release of the Frozen movie in 2013, and serve as a synergy of entertainment - a fusion of movie magic and adventure gaming. Developed by Disney Interactive Studios, the games share Frozen's core message of love, bravery and self-discovery, allowing players, especially young girls, to engage with the film's beloved characters and explore the picturesque landscapes that define the icy fantasy.
