A direct transfer is a type of bank-to-bank payment that moves money from one account to another. This is usually done online, but it can also be initiated over the phone or by physically visiting a bank branch. In most cases, these payments are initiated by the customer in response to an invoice sent by the business.

Transfers generally take three (3) Business Days.

Instructions to make a telephone transfer or bill payment that are received after our cutoff hour or on a non-Business Day will be considered received as of the next Business Day.
