ore, the future of the Stargate franchise lies with Amazon for now. Since December it has been reported that Amazon has bought the rights to the franchise. The deal is worth £1.2 billion, which is a record for Amazon. The deal is expected to close in the next few weeks. Amazon will be producing a new Stargate movie, which is expected to be released in 2010. The movie will be directed by James Cameron, who directed the original Stargate movie in 1994. The movie will be a sequel to the original movie, and will feature the original cast members. The movie is expected to be a big success, and will help to revitalize the Stargate franchise. The deal is also expected to help Amazon to expand its presence in the entertainment industry. Amazon has already acquired several other franchises, including Star Trek and Star Wars. The deal with Amazon is a major step for the Stargate franchise, and is expected to help it to reach a new audience. The deal is also expected to help Amazon to become a major player in the entertainment industry. Amazon has already become a major player in the e-commerce industry, and the deal with Amazon is a major step for the Stargate franchise.
