

O O bet365

Unlike the rest of Call of Duty: World at War, the zombie mode is survival horror. After you've played through the single-player game, have waited till the end of its credits, and played a round of it, you'll be able to do so as many times as you'd like.

Final Fronts differs significantly from the main versions of the game. It features no multiplayer options, instead focusing on a three-part campaign mode, split up into 13 missions, set near the end of World War II.
