The Right Mix

We have seen that you enjoyed playing bartender games online in the past, so right now we are very happy that we get to return to the Friv 2024 Games category and provide you with yet another awesome game from this series, a game which is entitled The Right Mix, and which we have just played ourselves, so if we have had a tremendous time with it, we are positive that you are going to as well, especially since the previous bartending games we had were also played many times. We will now explain this one, after which you should have no problems at all in playing the game.

You are going to be preparing all sorts of drinks in this game, meaning that you have to combine all sorts of ingredients together to get the desired result. Miguel, the bartender is going to check up on how you do, so if you get a cocktail right, you advance and then prepare another one. All of the drinks and ingredients you need are right in front of you, and you are always going to be told what you require for a specific cocktail. Good luck to each and every one of you, and make sure to play even more games we have added here today, as they are also awesome!
