Alas, when I found this game, I bought it and I was extremely disap pointed. Just loading up the game took forever, and I kept having to close and r it. When it finally opened, it took 17 minutes just to do that. Yeah. N eopen a terrible laptop, my laptop is really good and I ow it's not like I have 've never had any issues with such a thing. Then, upon opening the game, I couldn't look around because the default settings were set to ultra. For t he record, I don't really have an issue with game devs doing this, but it leaves a bitter taste in your mouth. I had to set the quality to very low an d even then it was still so laggy. It was 2 fps at the most (like, not stretc) Tj T* BT /F1

t was quite literally just pixels. The game was also very repetitive, so even if you have a NASA super-computer you will get bored of this really quickly. I do not suggest this to anyone, no matter how enticing it looks. It was terrib le and so incredibly frustrating; especially because I kept having to meddle wit h the settings and make the game actually playable (spoiler alert: I couldn&#) Tj T* BT /F

have amnesia this game would be quite enjoyable, but unfortunately I see a lot o f people having the same disappointment as I am. I really wish I could have t his refunded, even just half of the money I spent on this. I'm unsure if
