It's a common mistake to think of the Xbox Series S as a console that's just a bit better than the Xbox One. In reality, it's a completely different beast. The Series S is designed to be a console that can handle 4K gaming at 120Hz, and it can do so with a 1TB SSD that's fast enough to load games in seconds. It's also a console that's designed to be a console that can handle 4K gaming at 120Hz, and it can do so with a 1TB SSD that's fast enough to load games in seconds. It's also a console that's designed to be a console that can handle 4K gaming at 120Hz, and it can do so with a 1TB SSD that's fast enough to load games in seconds.
