Informação: Dudeball is a game where you have to skillfully make your way across the floating ice and reach the flag to finish the level. To start, set the angle and power of the big yeti that will hit you, start flying. You can use your parachute to slow down your flight and land safely on the ice. The game slowly introduces more obstacles like turtles and introduces tools to help you

get to your goal. However, Undertale was developed in Europe, so it's actually given a PEGI rating, and more specifically, a PEGI 12 rating. This means the game is not for younger kids.

Development of Deltarune began in 2012, three years before Fox's previous game Undertale was released. Though it shares some narrative elements with Undertale, including alternate versions of characters from Undertale and the fact that Deltarune is an anagram of Undertale, it takes place in a different setting.
