Call of Duty: Black Ops is a military first-person shooter, and the average level of violence in multiplayer and campaign slightly greater than most first person shooters.

While there is no explicit gore in multiplayer (just blood), the level of violence in the campaign can get quite strong and graphic.

Call of Duty: Black Ops is a military first-person shooter, and the average level of violence in multiplayer and campaign slightly greater than most first person shooters.

While there is no explicit gore in multiplayer (just blood), the level of violence in the campaign can get quite strong and graphic.
