Call of Duty: Black Ops IV is a paid game, which you need to purchase as a disc (physically) for your Xbox One/One S/Series X or digitally on the Microsoft Store, for any Xbox One/Series X|S console. Because of that, this game requires an active Xbox Live Gold subscription or Xbox Game Pass Ultimate.

The game can be obtained digitally through the Xbox Live Marketplace or physically through retailers that still carry Xbox 360 games. The online multiplayer aspect might still be functional, enabling players to connect with others for multiplayer gameplay.

3. PC (Microsoft Windows): Black Ops 1 is also playable on PC.
